NewsBank tips:

Each newspaper offers complete full-text content of local and regional news, including community events, schools, politics, government policies, cultural activities, local companies, state industries, and people in the community. Public records include obituaries, births, marriage licenses, divorces, bankruptcies, and real estate transfers. Associated Press and other newswire stories are omitted.

If you are unsure of the spelling of your search word, use a wildcard symbol:

- Use the question mark in place of single letters—WOM?N will search for items containing *woman* or *women*
- Use the asterisk in place of multiple letters—ENVIRONMENT* will find *environment*, *environmentalism*, *environmentalists*, etc.
- KHRU*V will find all the items containing Khrushchev—a great help for spelling a tough name.

To connect to NewsBank:

1. On the World Wide Web, go to <http://www.knoxcounty.org/library>
2. Click on the words “Reference Databases”
3. Follow the links and instructions to access NewsBank using your library card number
